HEALTH & SAFETY

It is the responsibility of the stallholder to ensure that their stall and goods are arranged in such a manner to minimize the risk of injury to themselves, their staff and the general public.

SPECIAL ATTENTION SHOULD BE GIVEN TO THE FOLLOWING:

- Stands to be of adequate construction
- Gazebos – plastic coverings etc to be capable of withstanding adverse weather
- No items to protrude into gangways. Guide ropes, pegs etc to be contained within stand space
- All small items to be placed out of reach of children
- Large items to be positioned so as not to cause any potential hazard
- Lighting, heating, cooking to be placed safely out of reach
- Generators to be placed safely out of reach. Suitable for operation and certification available.
- Batteries and any liquids to be placed safely to avoid spillage.
- It is recommended that a serviceable fire extinguisher is available.

This list is not exhaustive and it is the responsibility of the stallholder to identify any other potential hazards

INDEMNIFICATION

Stall holders participate in this Rally at their own risk, as the PWA7C Limited and Nottingham City Council cannot be held responsible for any loss, damage or accident, however caused. It is therefore recommended that exhibitors hold Public Liability Insurance.

I agree to conform to the above requirements.
