

Inter-Register Car Club Events – 2021

Here are the dates for the 2021 Inter-Register Club (IRC) events. The PWA7C is a member club and therefore we can all enter the events listed below. The events tend to be mildly competitive and are always very enjoyable.

During 2020 IRC events were affected in the same way as most other activities – cancelled. To keep us active we introduced the hugely popular table top rally and a number of these events will run again this year. So, you don't even need to get the car out of the garage to take part and score IRC Shield points for the PWA7C. We are hoping to have some 'real' events later in the year so please check the Inter-Register Club website for updates - www.inter-register.org.uk or the Facebook Page 'Inter Register Group'.
